The voice of the Merciers of North America

THE WORD OF THE PRESIDENT

In her message — found on page 3 the present number of *Le Mercien* — president Lucie outlines the means that AMAN's managers have chosen to hurry the development of the North American Merciers' Association.

These means are the following ones :

- Granting a small amount of money to approved regional committees (RC) to help them starting their operations;
- Returning to RC's managers a small commission on the entry fee of each new member and the annual dues of actual and reinserted former members;
- Improving communications between members and the AMAN's management : look and content of *Le Mercien*, publicity Internet, etc.

AMAN's financial help to its regional committees is one way of increasing membership and avoiding rises in annual dues.

Amélie Boily-Mercier is the first child born in Québec City, at midnight and 11 minutes, at the Jeffery Hale Hospital, on the first day of the Canadian non smoking week (January 15-21).

Lise Mazerole delivers to Amélie's parents (Nathalie Boily and Francis Mercier), her certificate presented by the "Association pulmonaire du Québec". This activity, sponsored by the Canadian Cancer Society, intends to sensitize parents about damages that secondary smoke may do to their children.

MESSAGE OF THE PRESIDENTE

Friendly greetings,

To all our new members, I wish the most cordial welcome in the midst of our family association and I thank again all those who are faithful.

An active member is the one who pays his annual dues, makes some efforts to recruit new members and makes our association known. Do not forget that, without you, AMAN would not exist.

Our family association is sufficiently structured. Several groups have formed regional committees along the years. However, the regions are not all active.

A new starting means, intended to help regional structures, was considered at the last Administration Council reunion. It is to promote the formation of regional committees in places where there are enough Merciers. It consists especially in a financial assistance under the form of a small starting grant and the remittance of one dollar for each assessed member in regions recognized by AMAN' management. To do so, we must define together the limits of the regional committees. We will get in touch with regional groups and to let you know all about it.

Moreover, a document entitled "AMAN logistical and financial support to his regional committees" is under consideration. This document

will be a precious tool to any regional group which plans to organize a reunion with more or less scope. As soon as it is approved by the board of directors, it will be distributed to the regional committees who will request it.

Le Mercien's task force does a remarkable job to rejuvenate the visual aspect of our liaison bulletin and to endow it with new chronicles which will be added up to the ones already existing. This is to maintain our members' interest.

The 1997 reunion is another activity which demands a lot of energy from the Administration Council and its planning Service.

Other benevolent members are already working to organize the 1996 annual general reunion. There are also certain regional committee planning activities to which you will all be invited to attend via our trimestrial bulletin.

Even information diffusion, on the Internet, is being prepared under the guidance of David H.

As you can see, the Merciers are at work. All members must put the possible energies to make our association interesting.

To all, I wish a good spring and Happy Easter.

Lucie

ASPECT ET CONTENU — LE MERCIEN — LOOK AND CONTENT

1. Retrospective

The last modification of the first page of our trimestrial liaison bulletin, *Le Mercien*, goes back to 1988. Following the suggestion of the graphist Alain Mercier, of Québec City, the Administration Council decided then to group, in attractive visual harmony, the various identification elements used since the association registration in 1985. These elements are

- the name (The Association of Merciers of America North and the acronym (AMAN) of the organization chosen, in 1985, by the founder and first president Ernest Mercier.
- The name of the liaison bulletin (*Le Mercien*), proposed by Ernest the following year (1986).
- The emblem (a circle in which one sees North America supporting the acronym surrounded by the association name) — figure conceived by Céline Mercier Rousseau and drawn by the heraldist Jean-Paul Gélinas (Mgr) — in 1986.

The first bulletin published, using the new heading, was the Number one, Volume 4, January 1988. A slight modification of the colour of the letters of the bulletin's name, suggested by Isabelle Mercier Dufour, took place on October 1989. They are now completely black and without vertical lines.

2. Improvement

It was time, in 1995, to modify the bulletin visual aspect and make it more attractive. The directors entrusted this task to a group composed of André, David H., Ernest and Isabelle. The directors have accepted their report and are proud to present *Le Mercien*, of which the heading of the front page is clearer and less framed.

The AMAN's administrators have kept the name, the emblem and the bulletin heading, that they have arranged differently, and replaced the month name by the one of the editing season. Furthermore, they have moved to page two all writings at the bottom of the first page. Do these visual aspect changes please you?

3. Content

All the suggestions of the taskforce, accepted by the Board of directors, aimed at the sources

diversification, chronicles and authors of short articles of general interest on the genealogy and history of the North American Mercier family.

The members have only to submit general interest articles to their regional committee directors who will transmit them to the *Le Mercien* management committee members. To hurry the communication, the regional coordinators must address their writings directly to the responsible of the AMAN administrative services whose list appears on chart I, page 10 of this present spring number.

4. Issues publication

The AMAN Administration Council has decided to move forward, from one season, each of the four editions of Volume XII and the following ones. So, the number one you are presently reading becomes the 1996 spring edition. The number four (4) of Volume XII you will receive in the middle of December will become the winter edition of the present calendar year. This decision is in agreement with the practice followed by the magazines, periodicals, and weekly publishers in North America.

GÉNÉALOGIE — GENEALOGY

Correction à apporter à la page 143 du volume 11 (Généalogie des familles originaires des comtés de Montmagny, l'Islet et Bellechasse) dont Éloi Gérard Talbot est l'auteur.

Le tableau sur la descendance de Laurent Mercier présenté à la page 143 ne doit pas faire mention du prénom Irénée (ligne 2) ni de celui de son fils Oliva (ligne 3). Il faut garder seulement le prénom de Honoré.

Irénée Mercier a épousé Marie-Luce Fortin et non Marie-Anne Fortin, la femme d'Honoré Mercier. Ces deux conjoints Mercier sont des cousins très éloignés issus du même couple ancestral (Jullien Mercier et Marie Poulain) mais ils sont de deux lignées (fils de) différentes.

Il faut rayer le 3^e mariage d'Honoré Mercier avec Louise Caron. C'est erroné.

LES MERCIER DANS L'ACTUALITÉ

À nouveau, voici la chronique qui vous renseigne sur les Mercier qui font l'objet d'articles ou de publicité dans les journaux ou revues du Québec.

Le jeudi 2 novembre 1995 dans le journal *Le Soleil*, le texte au bas d'une photo indique que monsieur **Jean-Luc Mercier** est président d'honneur de la campagne de souscription en faveur de la Société canadienne de la Croix-Rouge pour le personnel du réseau des caisses populaires Desjardins de la région de Québec et les employés des entreprises du campus Desjardins à Lévis et qu'un chèque de 42 000 \$ a été remis à la Croix-Rouge, section de Québec.

Dans un article publié dans la *Revue Sainte-Anne* de novembre 1995, madame Colette Perron rend un hommage à madame **Thérèse Mercier**, centenaire, qui aime la vie et les gens. Née le 21 août 1893, à Saint-Vallier-de-Bellechasse, la jeune Thérèse Labrecque a connu une enfance heureuse. À 27 ans, elle a épousé l'un de ses voisins, Albert Mercier. De ce mariage sont nés cinq enfants dont trois ont choisi la vie religieuse. Son fils, **Bernard Mercier**, Père Rédemptoriste, est directeur de la *Revue Sainte-Anne*.

L'édition du 12 janvier 1996 du journal *La Nouvelle* de Sherbrooke publie des renseignements donnés par l'avocat **Carl Mercier** sur le renouvellement des baux. Dans l'édition du 19 janvier, Carl Mercier apporte une précision au texte publié dans *La Nouvelle* du 12 janvier.

Le Devoir, des samedi et dimanche 11 février 1996, rapporte que monsieur **Jacques Mercier**, le chef de l'orchestre national d'Île-de-France vient diriger la *Missa Solemnis* de Beethoven à l'Orchestre Métropolitain, à l'invitation du Conseil des arts de la Communauté urbaine de Montréal, lequel est jumelé au Conseil régional d'Île-de-France. L'orchestre que dirige Jacques Mercier est composé de 76 musiciens permanents et il a remporté une des victoires de la musique

classique l'an dernier, pendant que son chef était nommé «personnalité de l'année». (Photo ci-contre)

Dans le *Journal de Québec* du lundi 12 février dernier, un article en provenance de Washington mentionne que les efforts des familles Gagnon, **Mercier** et Girard pour retrouver les sommes que leurs ancêtres auraient possédées aux États-Unis sont en train de virer au loufoque à Washington. La firme responsable de ces recherches, Investigation Lapointe, a pris d'assaut les télécopieurs de la Maison-Blanche et de l'ambassade canadienne à Washington.

Note : Vous êtes invités à nous faire parvenir des articles de journaux ou de revues de votre région dans lesquels des Mercier font parler d'eux, en ayant soin d'inclure le nom du journal ou de la revue ainsi que la date de publication de chaque article. Adresser le tout à : André Mercier, 855, Grand Jean, app. 311, Sainte-Foy (Québec), G1X 4E5.

ANNIVERSAIRE / ANNIVERSARY

After some 35 years of missionary life, Marcel Mercier, Brother in the community of the «Pères Blancs d'Afrique» has come back to Québec, at the age of 63, to enjoy a well deserved retirement.

The accomplishments of Brother Marcel Mercier, in Africa, are remarkable. He has :

- established and directed, from 1952 to 1970, an infirmary at MBaraga, Ouganda.
- built, in 1970, and directed during 16 years, until his return to Canada, the important new Welcoming House for missionaries (Lourdel House), in Kampala, the capital of the country.
- His missionary colleagues relied on Marcel to supply them with equipments of all kinds. He was very much esteemed by the community members for his skillful talent of negociator.

According to the testimony of his brother Jacques Mercier, scholl director at St. Stanislas de Kostka, Marcel had a lot of problems in his functions as manager of the Lourdel House, at Kampala (1970-1986). The accumulation of overworking and stress drove him to the hospital, in Ouganda, a country that he left, with regret, in 1986.

Retired since that date, Marcel is now the assistant treasurer, at the provincial White Father's house, boulevard Acadie, in Montreal.

GOLF — SPORTS — GOLF

Trou d'un coup à 77 ans

Réussir un trou d'un coup au golf est déjà tout un exploit en soi. Imaginez quand on le fait à 77 ans! Eh! bien, c'est arrivé à Henri-Louis Mercier, l'été dernier, lors du tournoi des sénoirs de Saint-Anicet. Roger McSween, son compagnon de golf, était d'ailleurs témoin de ce spectaculaire coup.

Bravo M. Mercier! Henri-Louis est frère du jubilaire Marcel.

MARCEL MERCIER

Missionnaire d'Afrique

Born in Saint-Honoré de Beauce in 1923, Marcel is the eighth of a family of eighteen children : nine boys and nine girls. In 1929, the family left the Beauce to establish itself in Valleyfield. It is there that Marcel completed his primary studies.

Marcel's relatives celebrated, with splendor, in June 1995, the fiftieth anniversary of religious life of this Brother missionary.

Congratulations and long life to the jubilee, Marcel Mercier.

HOMMAGES — ALPHONSINE CÔTÉ MERCIER — HOMAGES

**Homage at the funeral of Alphonsine,
at Rouyn-Noranda, on December 28, 1994.**

“Dear mamma, Dear grand-mamma!,

“Today, your children and grand-children are assembled for a last farewell. Your friends and our friends have joined us to share these precious moments.

“Dear mamma, grand-mamma, we want to thank you for what you have been for all and each of us. You have transmitted to your children your great faith in Providence, your respect of others, your sense of responsibilities and... your love of children.

“You had a serene way of accepting God’s will. You have known how to accept, with dignity and courage, the sudden departure of dad, grand-dad, 31 years ago.

“You had to adapt yourself and it was not easy. As for us, we have had to live with deaths and your prayers. Your resignation and silent presence have brought a balm to our sorrows.

“Your love of human beings was unconditional. What a nice welcome for others! To have guests as your table, two or three couples at a time and, that very often... made you happy.

“Even birds, your everyday little friends knew that the cover was always set. With your assiduous correspondence, you have procured a lot of small joys. You loved to emphasize the birth anniversary of all and each one of us. Your sense of humour was as a little ray of sunshine which shows the tip of its nose when you are least expecting it... and you made us laugh.

“It was very important for you to preserve the familial cell. You knew how to find the right side of everybody. That is why we loved you so much.

“You have left this world, very quietly... without not disturbing, too, too much... as you had always lived.

“Mamma, grand-mamma! You did not want to leave during the winter. You called the spring, ... a few days, ... the time to realize your short terrestrial exit followed by the long celestial entry.

“You never did things half way. You needed the Christmas day to go to Heaven. After having rocked your babies at fourteen different times, you have gone to rock... Jesus bambino.

“So long, mamma; so long, grand-mamma.»

L'AMAN PREND LE VIRAGE ÉLECTRONIQUE!!!

Eh oui! Votre association de famille a finalement décidé de mettre son pendule à l'heure de l'inforoute! Le service AM@N-Net est heureux de vous annoncer que d'ici peu, l'AMAN aura sa propre adresse électronique sur le Libertel de Montréal, lequel devrait voir le jour d'ici quelque temps. Ceci permettra aux membres actuels et futurs de communiquer avec la direction de l'association de façon rapide et efficace. L'adresse de l'association sera AMAN@LIBERTEL.MONTREAL.QC.CA et elle devrait normalement être en fonction d'ici peu.

De plus, le service AM@N-Net est actuellement en train de concevoir une page d'accueil sur le "World Wide Web". Cette page sera aussi accessible via le Libertel de Montréal. À moins de changements majeurs d'ici son lancement, vous pourrez bientôt la consulter à l'adresse suivante: [HTTP://WWW.LIBERTEL.MONTREAL.QC.CA/AMAN/INDEX.HTM](http://www.libertel.montreal.qc.ca/aman/index.htm). Elle contiendra des informations diverses au sujet de l'AMAN. Cette initiative permettra donc à tous de constater les nombreuses réalisations de notre jeune association de famille tout en consultant certains documents publiés par l'AMAN.

Lorsque le tout sera en fonction, le service AM@N-Net fera paraître dans le Mercien une série d'articles expliquant plus en détail le projet. Vous serez alors en mesure de prendre pleinement avantage de ce nouveau service.

FINANCEMENT / FINANCING TIQUE...LOTOMATIQUE...LOTO

L'un des moyens d'aider la direction à équilibrer le budget de l'AMAN est d'acheter des billets de Loto à partir de la Lotomatique par l'entremise de notre association de famille.

Loto-Québec a récemment modifié la participation pour l'achat de billets de loterie en limitant à la Lotto 6/49 et à la Sélect 6/42 les participants à la Lotomatique pour lesquels elle verse une commission d'environ 14 %.

À chaque avis de renouvellement et d'envoi de la carte de membre, le trésorier annexe un formulaire d'abonnement à tous les membres résidents de la province de Québec et vous invite à vous inscrire par l'entremise de l'AMAN.

La Direction de l'AMAN vous remercie de votre soutien financier indirect.
