The Association was incorporated by letters patent April 19, 1985 and registered the same day in Volume 1194, folio 160, in accordance with Part III of the Quebec Companies Act (R.S.Q. Chap. C-38, s. 218).

The objects of the association are as follows :

1. To organize Mercier gatherings in North America and especially in the Province of Quebec.
2. To publish regularly in Quebec, in the form of a newsletter, information on Mercier families of North America and Europe.
3. To collect and disseminate information on the accomplishments of those who have brought recognition to the Mercier name throughout the world.
4. To promote the identification, restoration and preservation of buildings and objects of value that belonged to Merciers, who have left their mark in North America and in Europe.
5. To get the Merciers of the world to become concerned about the preservation of their heritage, to become interested in genealogical studies and in stories about those who will not make it into the history books.
6. To create and develop a non-profit foundation whose purpose would be to achieve the objects mentioned above.
7. The objects will not, however, permit donors or their beneficiaries to recover in any way the funds which will have been given to the corporation.

This newsletter is named after the kingdom of Mercia which existed from the 7<sup>th</sup> to the 10<sup>th</sup> centuries. It was one of the seven original kingdoms constituting England. The inhabitants of that territory must have been called Merciens (or Mercien in French).

We are proud to perpetuate that name today.

# Word from the President

*By Jean Mercier (1524)*

## A look at the annual assembly

At the last assembly your Board of directors had, held last September 22 in Daveluyville, I have accepted to preside your Board of directors for the next year of operation.

I would like to congratulate our two new directors, Laurent Mercier from Saint-Hubert and Jacques Mercier of Saint-Georges de Beauce. With our Board of directors complete, it will be easier and less difficult to work at the promotion of the association.

I would like to thank Benoit for his wonderful work as president. Benoit his not leaving us, he will do the job of treasurer and administrator for the Board of Directors.

At the beginning of the year of operation, the AMAN had 236 members. In the past we had more than a 1000 members. We all know that an association survive with its members, and every year, we loose some of them because of illness or decease. It is really important that each member help us recruit new persons. All the information needed is on our web site at [www.famillesmercier.org](http://www.famillesmercier.org) and you can also consult the members of the Board. All the essential information are also in the MERCIEN or the web site. I counting on everyone of you. Is it possible that at the next annual assembly in 2012, we could annonce that we have more than 300 members. Yes it is, if each member make an effort. Thank you in advance for your support.

In the next Mercien, we should be able to announce the date and place of the next annual general assembly in 2012.

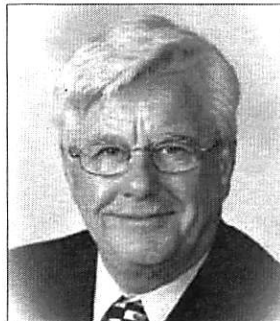

The last general annual assembly held in Saint-Jérôme, last August 27 was a success. Beautiful weather, a audience that was more important than our expectations (65 persons) in an enjoyable and historical place (The old train station of Saint-Jérôme), the "Curé Labelle" and the chief of the station who were receiving the guest with a little music in the background. The party was started.

The members had to registered with Gilmond Mercier and his wife, and then, they could enter the station, where there was different promotional articles. This part was under the supervision of Germain Nappert and Suzanne Mercier. Benoit and Laurent Mercier were taking and giving information on the Mercier.

Toutes les régions du Québec étaient représentées (28) ainsi que Plainfield N.H. par Maurice Mercier et Sarasota Floride USA. par Paul H. et Raymond E Mercier jr.

At 10 o'clock, the annual general assembly began. It was animated by your humble servant. At the item "election", all the former members were re-elected and Laurent and Jacques joined them. It was followed by a discussion on recruiting, an essential need for the survival of the Aman.

Jocelyn Mercier of Longueuil has come talk about the gathering held in Lac Mégantic on last August 6 where 130 MERCIER were present.

Anne Mercier of Saint-Sauveur, have showed us a professional footage on DVD and paper, to conserved the history of our families.

All this part of the assembly was followed by our « Curé Labelle » (Serge Laliberté) historian of Saint-Jérôme, on the history and the foundation of Saint-Jérôme and of the Curé Labelle known has the « King of the North ». After diner, a wonderful visit of downtown Saint-Jérôme, exposed the eyes of our guests on the buildings and its history.

Back at the station near 3:30 pm, all the present members were received at the old station where a friendship wine was served and the draw of different price of presence. One of the price was a painting of Gérard Mercier of Longueuil representing the residence of Julien Mercier of Saint-Anne-de-Beaupré. The painting was won by Mrs. Laliberté, spouse of Laurent Mercier.

Finally, I would like to thank all the participants, my collaborators and all the members of the Board for their help and the confidence they have showed me in the organization of this great success.

# A bit of everything

---

In the last newsletter, we have, under the title « A generous and fructuous career... André Mercier » we have shown the constant implication of André in his entourage et particularly among the AMAN, but there's always a but, the photo of André was omitted. Here is the photo. Our excuses.

One of our sponsors, the *Bijouterie Mercier* was robbed of some of its jewellery and some money in St-Jean-Chrysostôme, on last September 9. The owner, Mr. Pierre Mercier and his son and girlfriend were sequestered during the night of the 8 and 9 of September. The robbers were arrested. Everything seem to fall back in place without many damages.

*The BRIGRADE magazine* (vol.4, no 1) report the exploit of Pierre Mercier, financial analyst who have give his interest on different varieties of tea. He made many voyages and could see that a lot of buyers did not have the kind of tea they wanted, he

made, after many years of research, the first tea machine in the world, the Fine-T. It is now commercialized here in Canada after making its debut in England and United States. (to learn more about the product [www.lesthesdumonde.com](http://www.lesthesdumonde.com))

Even if it seems a bit early, we will inform you about our Spring activity, our sugar party. There will be two of them in 2012, one in the Montreal region and another in the region of Quebec. There are some changes, because the place we choose is Ste-Marie at the shack *Chez Athanas*, on April 14. Remember these dates, the details will be available in the next issue.

*See you soon*

# 2011 was an exceptional year for our former president Benoit.

Three of his sisters, Rosélia, Armandine and Denise have celebrated respectively their 65, 60 and 40 wedding anniversary. We take the occasion to present you these three perseverant couples.

Their parents, Diana Vallières and Alcide Mercier, now deceased, married in 1918, they had 13 children. 3 of them died at early age. They were the owners of a dairy farm in the Trait-Carré in St-Henri. In that time, the farmers had to be multidisciplinary; Diana and Alcide were mostly cultivating for the animals. They had cows, porks, hens and lambs. They also had wood products and a maple shack to make syrup. The farm has grown over the years, it is now the property of a grandson Pierre Mercier, son of Julien

## Let's talk about our jubilees

Rosélia married Robert Laliberté July 11, 1946. Their family is composed of three children and four grandchildren. Rosélia exerça la profession d'institutrice à St-Henri (Lévis), et Greenfield Park (Chambly) pendant 30 ans. Roselia practiced as a teacher in St Henri (Lévis), and Greenfield Park (Chambly) for 30 years.

Robert for his part was a mechanic and owner of a taxi car in Lévis and Saint-Lambert (Chambly) It is now 97 years old. Both are of course retired and are living in Brossard for nearly 50 years.

Armandine and Alyre Bouchard tie the knot on June 18, 1951. Their life is related to the dairy and pig farming in St-Henri (Lévis). Now retired, they remained faithful in St-Henri. They are the parents of eight children, eighteen grandchildren and two great-grandchildren.

Denise and Jean Labonté were married on August 28, 1971 and they are also retired. They have a career, she in the Quebec public service as an agent for him in the office and municipal police of Levis as a police officer-firefighter. Nature did not give them the chance to have children. They tried to adopt one, without any success.

*Congratulations to the happy jubilee and greetings to the great family of Diana and Alcide.*

# Augustin Mercier — Pioneer of Beauceville

---

The Beauce celebrate its 275 years of history in 2012. The Committee of Cultural and Heritage Beauceville uses this event to honor its pioneers. A large granite monument in the form of commemorative book was released, near the church on June 12, 2011. The names of 50 local pioneers of the Seigneurie Rigaud Vaudreuil are engraved including Augustin Mercier.

Here is the text of the historian André Garand on this pioneer in the history book: "*La barre du jour*" published on the occasion. "The ancestor Julien Mercier (1621-1676) of Saint-Aubin Tourouvre in Perche, Normandy in France. In 1647, he became an engaged for three years in New France.

In Saint-Joachim in 1772, Augustin Mercier (1750-1813) married Félicité Boucher, daughter of the census of lot 27 S-01, Pierre Boucher and Geneviève Gagnon, son of Joseph Mercier and Josephite Caron, Mercier Augustin of Sainte-Anne-du-Nord, acquired in October 1773, the land of the Acadian Joseph Raymond, who had acquired tickets in 1773 by Jean Busque (without a ticket since 1745). This lot 20 N-E1 is at the bottom of the current Beauceville Gulf Coast on the Kenneky road. Augustin Mercier became warden in 1798.

For tickets, dated July 1<sup>st</sup>, 1795, Joseph-Marie Hautbois is identified in 18 S-02. On June 10, 1797, the Lord of Léry confirms the sale of the said lot to Augustin Mercier."

Among Mercier, natives of Beauceville who have left their mark include the brothers Luc and Jean, sons of Adolph and Marie-Louise Roy. Luc (1921-2006), judge and writer, was a pioneer of legal aid. He was the subject of several articles in *Le Mercien*. His brother, Father Jean Mercier (1920-1997) distinguished himself as a writer of history and place names. He was secretary of the *Commission de toponymie du Quebec* from 1956 to 1960.

The daughter of Honoré Mercier, Héva, lived with her husband in Beauceville the dentist Homère Fauteux. They were the parents of Gaspard (1898-1963) and

Gérard (1900-1980) who were, respectively, at one time Lieutenant Governor of Quebec and the Chief Justice of the Supreme Court of Canada.

Saint-François-de-Beauce, was built after Sainte-Marie and Saint-Joseph, religious open its register in 1765. Today, approximately 6000 inhabitants Beauceville many of them were Merciers.

# The Merciers' Event in Lac-Mégantic

In February 2005, my uncle Robert Blais left us suddenly. I brave the storm to go down to Quebec. He was an influential person in my life and those of several of my cousins Mercier. It's always a pleasure to see the cousins Mercier and this time the show was no exception. Apart from a rare marriage in 2004, the last real family celebration was in 1991.

Why should we only see his family in the funeral home? The pleasure of seeing her cousins have to be limited to these places? And if all my aunts and uncles Mercier died only in snowstorms? Would not it be fun for our family gatherings ... From that moment, there were no more excuse. I would take things in hand.

Armed with a new motivation, I start the organization of this first family celebration in August 2005. These are all the descendants of my grandfather Irénée Mercier who will be invited. The

first question is quick: where will we meet? In the region of Lac-Mégantic, of course, the family has its roots for generations. With a new generation of

great-grand-children, no family member has the private land it takes together the whole family that I wanted to invite.

We will have our first family celebration at the *Cabane à sucre Bellavance* in Ste-Cécile-de-Whitton. 95 members and friends of our family Mercier move for the occasion. Indian corn is

cooked, the atmosphere is jovial. Everyone laughs and smiles. The first edition of Mercier party is a success all the way.

In the years that followed, it was the turn of my Aunt Helen Hubert and my uncles Maurice and Julien Mercier to leave us, to our regret. Among our cousins, it will be Ginette Brault and Diane Lacroix to suddenly leave to the surprise of all. Despite the sadness of these departures, it's nice to think we could meet again living in a moment of pure joy. The proof is now made that the family parties operate. One can see his family outside the funeral home.

In August 2011, it is the second edition of our family

celebration. In 2005, it was good, but we were cramped. We need more space to allow children to play. This time, it is on the field of the OTJ in Lac Mégantic that we would celebrate. As the field can accommodate thousand people, it was decided to widen the circle of invitations and try a great family adventure. We will seek out and invite all the descendants of Augustin Mercier, my great-grandfather.

Such an undertaking can not be done without attracting the attention of AMAN. Quickly, Jean, Laurent and Gilmond Mercier joined us and give us a brand sponsorship, the Association of Mercier North America in the form of coffee, identification banners, ice and Services information. The partnership of the AMAN and our family celebration is sealed.

This second edition of the festival of Mercier in Lac Mégantic is a success. We had 130 participants. The sun was at the rendezvous and the view of the lake was absolutely beautiful. To convince you, I invite you to visit our "Celebrate The Mercier" on Facebook and watch our photo albums. This page will become a pole of communication for the third edition of our family celebration scheduled for August 2014 in Lac-Megantic. If you want to stay informed of our adventures, I invite you to click "Likes" Once on our page. For the third edition of our family celebration in 2014, it is too early to make announcements. However, remember this: it is the biggest yet with more pleasure.
